

## Job Description – Videographer - Filming & Editing

**Job Location: Mumbai**

**Experience: 2-4 years**

We are looking for a videographer who will be responsible for filming, editing and delivering outstanding video content. The candidate must be multi-skilled, highly competent and flexible to be able to play the different roles as required.

### Key Tasks:

- Film and edit the video content
- Visualise production scripts, briefs, understand our requirements to produce great results
- Capture visually appealing shots to fulfil the brief. (Includes basic lighting and optimal audio capture)
- Edit video projects using Adobe Premiere Pro

### Required Skills:

- Experience in camera operation, DSLR & digital video cameras, sound equipment and the overall production process is essential
- Tech savvy, with considerable knowledge of audio/visual equipment, hardware, software, troubleshooting and techniques used in video production & editing
- Highly proficient in editing with Premiere Pro and FCP
- Knowledge of safe work practices, particularly lighting and manual handling
- Creative with an extraordinary eye for detail
- Versatile and experimental with an ability to use their understanding of current social trends, in terms of props, costume, theme etc.
- Able to determine logistics strategy (location, style, actors, and equipments) to get the best footage
- Enthusiastic, self-motivated and ability to work independently
- Work well under pressure to meet deadlines
